v.

MOTION FOR LEAVE TO FILE

George Wallace Steward, et al.

RULE 60(B) EXONERATORY

Defendant

NEWLY DISCOVERED EVIDENCE

MOTION FOR LEAVE TO FILE RULE 60(b) EXONERATORY NEWLY DISCOVERED EVIDENCE

I, Allen Bruce Gottlieb, one of the Defendants in the above action have been provided with exculpatory evidence from the Securities and Exchange Commission's own mouth which *Physical Document
Evidence* substantiates the fact that the SEC lied and deceived the court into believing that they could not serve Gottlieb, when Gottlieb was available at all times for service.

I therefore Motion the District Court grant me permission to provide the evidence in the form of Rule 60(b) submission, in support of this motion and to bring the evidence to the courts attention so they can evaluate the poor litigation conduct, unethical and immoral violations the SEC stooped to, by withholding evidence and deceiving the court into believing the absurd accusation that they were actively pursuing Gottlieb for almost 7 years.

Respectfully submitted this 18th day of July, 2014
